Himalayan Pink Salt with Infrared Heat

Our pink salt room is designed to alleviate anxiety and depression. Spend an hour in this warm dimly lit room with soft music piped in, it will leave you feeling amazing! Nothing is required of our guest during a salt room session except to relax and breathe deeply.

Salt-Sauna consists of a combination of Himalayan salt bricks and heat, by gently heating the salt the properties of the salt is activated, that triggers the ionization process.

Benefits of Himalayan Salt Treatment

Ionization process: *Stress Reduction, increases energy and boost your mood at a biochemical level*

Muscle Relaxation: *Relieves muscle cramps*

Breathing Aid: *Help stimulate the respiratory system natural ability to reduce inflammation, clear blockage, fight infections*

Skin Benefit: *In addition to entering the body through the respiratory system, salt is also absorbed through the skin, the warmth of the sauna opens up the pores allowing easy absorption of the many 80 beneficial minerals present in Himalayan pink salt*
The vast wellness benefits of Saunas are well known and when the effect of pure Himalayan salt is added, the result is truly an unbeatable Sauna experience.

Sugar Scrub - *Improve Skin's tone and texture, Maximize moisture absorption, Unclog pores and draw out ingrown hairs, Enhance your self tan, Boosts blood circulation. Better option for sensitive skin.*

Sea Salt Scrub - *Are packed with minerals that can help eliminate impurities from the skin surface, Helps tighten the skin, improve skin texture, improve circulation and reduce inflammation. Its mineral content is both relaxing and therapeutic.*

Benefits of Yoni Steaming.

Vaginal steaming is a natural remedy for supporting the female reproductive organs, including the vagina, cervix and the uterus

Vaginal steaming involves exposing the vagina to steam by sitting over a steam producing machine that contains water and added herbs, the herbs surround and penetrates vaginal tissues exerting a therapeutic effect and offer a variety of benefits.

Infrared Sauna Benefits

*Infrared sauna uses an invisible frequency of light to heat your body directly, causing you to sweat at a much lower temperature. It penetrates your tissues at a much deeper level, research has shown the **more toxins** are expelled in a persons sweat in comparison to the sweat expelled when using a traditional sauna.*

Benefits:

Muscles Relaxation

Improve overall textures of skin

Mental Relaxation

Removes Toxins/Heavy Metals.

Tips for a Sauna Session

No Shoes .. Wear a Robe
